THE WEST FRONT

Mark Horton

In the week in which America will inaugurate a president for the fifty-ninth time it seems appropriate to start by reporting on a match between two of the teams representing the United States. I don't think you will be disappointed.

Board 3 South/EW	♠ KQ42 ♥ AQJ93 ♦ 7 ♣ Q64

- 2♦ – Asking,
- 4♦ – RKCB for clubs,
- 4♥ – 0/3 key cards,
- 5♣ – No side kings.

West led the ♦J and on this layout declarer had an easy time, cashing a top club, playing a heart to the queen, returning to hand with a club and repeating the heart finesse, +920.

West led the ♣5 and declarer won with the king

and played a spade to the king, East following with the nine. A diamond to the ace was followed by a second spade, +450 but a loss of 10 IMPs.

East led the ♠8 and when dummy's queen held declarer had a parking place for both his clubs. Having disposed of them he played a diamond for the ten and jack and continued with the ♥J for the queen and king and a second diamond, making with an overtrick for +950.

Now if East had led the ♣Q...

Here East-West followed „Six-five, come alive” rule...

South led the ♦3 so declarer could get rid of one heart, but not the other, eventually conceding one down, -200 and another 13 IMPs changed hands.

Something happened in the bidding...

Maybe East and West had played in a different way versus natural 1♦ than versus Precision 1♦ and the players were not on the same wavelength?

North led the ♠Q and declarer won with dummy's ace and played a heart to the queen, continuing with the ace and another heart when it held. South switched to the ♦9 and when declarer played low he finished with ten tricks, +170.

Here North-South has played a standard system, so East-West found their 11-card fit immediately, without any problem...

South led the ♣A and a few moments later declarer was claiming 12 tricks, +680 and 11 IMPs, taking the score to 38-0

North - South presented highly advanced bidding tools here:

1NT – 14-16 HCP,

2♦ – transfer,

3♣ – game forcing, 4+♦,

3♦ – asking,

3♠ – 3 cards spades.

East led the ♠2 and the defenders cashed four tricks in the suit, declarer conceding one down, -50.

Here we could see less science in the bidding, but the contract was the same.

East also led a spade, but his choice was the queen. Maybe it was not the quite clear card, because West overtook it with the ace and that was fatal, declarer now having a spade stopper and a spade trick, finally scoring ten tricks, +430 and 10 IMPs.

After a few less exciting boards, we had some emotions near the end of the match.

East led the ♣8 and declarer played low from dummy, ruffed West's king and played a diamond to the ace and a second diamond. A heart to the ace was followed by the ♠8 and when declarer ran it East won with the jack and returned a heart. Declarer won with dummy's king and played a spade, but when West discarded he was one down, -100.

West led the ♣K and declarer ruffed in dummy and played a spade, East going in with the king and switching to the ♥4. Declarer won with the ace, cashed the king and then played diamonds, pitching a club on the third round. West could score two trumps, but declarer had the rest, +620 and 12 IMPs.

The final score was 58-24 for USA 3.

SILVER MEDAL IN ESTORIL FROM THE ALMANAC OF POLISH BRIDGE

Włodek Starkowski

In 1970, the European Teams Championships were played in Estoril, Portugal. The Polish national team won a silver medal there, ahead of, among others, Italy with Belladonna, England with Reese, Switzerland with Besse, and twenty other teams from the Old Continent. The French became the champions, but they lost match against our team.

The silver medal is of course the merit of the entire team – Łukasz Lebioda - Andrzej Wilkosz, Wit Klap- per (here POLAND 3 SZENBERG) - Adam Zimniel- ski, Janusz Nowak - Janusz Pietruk, but in the unani- mous opinion of the commentators, the true driving force of Polish squad were Łukasz Lebioda and An- drzej Wilkosz who after the European Championship in Estoril were regarded as one of the top pairs in the world. They confirmed this opinion, winning the pre- stigious Sunday Times Invitational Pairs in 1972.

Both were perfect card players. Here are two exam- ples:

Let's have a look at the 7♦ contract played by Wil- kosz in the match against Belgium:

	♠ AK1065 ♥ K74 ♦ 102 ♣ AJ9	
♠ 432 ♥ J10965 ♦ 3 ♣ K1087	N W E S	♠ QJ9 ♥ 83 ♦ J765 ♣ Q432
	♠ 87 ♥ AQ2 ♦ AKQ984 ♣ 65	

West led the ♥J, which the declarer took with the ace, and then cashed two top trumps. Then there was a pause and later everything went smoothly.

Wilkosz cashed two top spades, and ruffed third in the hand. Now with the king of hearts to the dummy, the club is rolled out on the fourth spade. For the last spade, Wil- kosz got rid of the queen of hearts, and then ruffed a heart in his hand. After that he entered the dummy with the ace of clubs and the play of the club completed the coup.

Another example of their perfect declarer's play is also a trump coup.

Lebioda showed precise timing, declaring a slam against Italy:

	♠ QJ107 ♥ Q92 ♦ KQ ♣ AQ86	
♠ K98654 ♥ 7 ♦ J9 ♣ 10732	N W E S	♠ 32 ♥ K864 ♦ 10832 ♣ KJ5
	♠ A ♥ AJ1053 ♦ A7654 ♣ 94	

Mondolfo (West) led a club against 6♥. Lebioda won with the ace, cashed ace of spades, entered dum- my with a diamond and played a ♠Q, discarding a club. Mondolfo won with the king and tried a club.

Lebioda ruffed, crossed to dummy with a diamond and played nine of hearts, ducked in hand. Now a small heart to the ten, diamond ruffed in dummy with the queen of trumps.

When the spade jack was played now, the trump king was caught in a Grand Coup.

Please, note, that if Lebioda plays trump queen instead of the deuce, contract can be set. Belladon- na (East) could duck the queen. Now declarer would have to play a spade. Belladonna would ruff. Now dec- larer ruffs a diamond and in the ending:

	♠ 10 ♥ ♦ – ♣ Q8	
♠ 9 ♥ – ♦ – ♣ 107	N W E S	♠ – ♥ K ♦ 10 ♣ K
	♠ – ♥ A ♦ A7 ♣ –	

East could discard a diamond for a spade and wo- uld score a trump trick. Cashing a diamond ace before ruff would fail if diamonds were 3-3.

KIBITZERS.

Kibitzers are allowed only at the vuegraph tables, which will start with 30 minutes delay. We believe that the spirit of the game in seniors society excludes chances of cheating so all the Swiss matches are played on the same boards and there are no restriction in closing match time etc. Our experience from European Seniors Tournament, played according to those conditions confirmed that we can rely on fair-play of the Seniors bridge society (no suspicious cases were reported to the TDs and other bodies)

Coaches and npc can be allowed to kibitz the match of their team. The TD must be informed by e-mail about it before the start of the match and will manage the technical requirements.

The choice of the Vuegraph match will be announced in the Daily Bulletin.

STARTING TIMES.

The starting time of each Qualification Swiss match is 8.00 pm (CET). All players should be logged in at least 10 minutes before. We hope all of us can accept a few minutes in some cases. Vuegraph from Swiss match starts at 8.30 pm CET (from Knock out at 7.30 pm CET).

Knock-out matches will start 7.30 pm CET (first 12 boards of a day) and 9.30 pm CET (second 12 boards).

SUBSTITUTES.

After the first 10 boards (1-10) each player/pair can be substituted with another player/pair for the second half of the match (boards 11-20). Substitutions will be allowed for each SWISS match. Changes should be provided with the line up. Later changes will be allowed only in case of emergency.

At play off matches substitution during session is allowed only in emergency cases and must be accepted by the Chief Tournament Director.

Detailed instruction will be sent to all persons responsible for line up of their teams.

LINE-UP CHANGES.

III. Anti-Cheating rules

We assume full trust to all players, kibitzers, and other members of the bridge society. All the disciplinary violations will be solved by the Disciplinary Commission of Polish Bridge Union. The captains of all participating teams will be its advisory body at more complicated cases.

If somebody wants to report about suspicious hands it should also be forwarded to the Disciplinary Commission of Polish Bridge Union (e-mail piotr.ilczuk@pzbs.pl). All proceedings will be carried with the appropriate discretion and confidentiality. Ruling of the PBU Disciplinary Commission will be final.

IV. Zero tolerance for rude comments or behavior

Zero tolerance for rude comments or behavior. If you need to ask something to your opponents, please use the private chat instead of the table chat.

V. Convention Cards

Before the start of the tournament all teams should send their convention cards, preferable in the WBF standard to tournament directors (aleksander.krych@pzbs.pl). The cards will be available at the tournament website TSC 2021 (pzbs.pl). In more complex cases (like brown sticker, HUM, etc. the appropriate rules of World Teams Championships 2019 will be applicable).

VI. Starting time and missing players

All players are kindly asked to log in on BBO at least 10 minutes before the starting time of their match.

We are playing pre-dealt duplicate boards. Delays can affect the event schedule as we are playing all the matches using the same boards, therefore all delays will be penalized (unless the late start is not responsibility of the team, e.g. BBO's server issues, etc.).

If at some point during a match a player loses his/her connection, the partner of the missing player must immediately call at the table the tournament director (by pressing the usual button) who will find together

with the team's captain another player of the team available for a prompt substitution.

Only in case of BBO's server issues when it is not possible to start some matches, the delays matches will not play pre-dealt boards, but we are confident that this will not happen too often.

VII. Players of the team

Because the tournament is played online, there the number of the players registered for the team is limited to 12. Players can be added/replaced during the tournament.

VIII. Undos

UNDO is available and fair. We strongly encourage you to accept UNDOs. If you feel that there is a damage due to the UNDO you can call the director at the table but we will be very happy if you play this tournament in a friendly way and allow UNDOs because most of the time it is a true misclick.

UNDOs are allowed and encouraged, but only for misclick.

UNDOs for correction of errors are not appropriate and should not be requested. If the opponent questions the reason for an undo, they should call the director as long as it becomes evident that this may have been the case.

IX. Alerts

Bids must be alerted before being entered. In such way, the left hand opponent knows about the alert before making his/her bid. If you don't alert before sending your bid, your opponent may think that your bid is natural, make his/her bid, then see the Alert and legitimately ask for an UNDO in case the information changes his/her perspectives. This may lead to unauthorized information.

Thus, you need to click the Alert button before entering your bid. Also, during this procedure it is very important to include the explanation in the proper box. During each match, players are not allowed to click on an unalerted bid of the opponents in order to have more information. If they want information, they can privately ask the opponent (by chat). The reason is that it is important to avoid any possible UI between partners. If you note this please call the director that will explain this rule to the opponents (BBO software allows this but it could lead to some issues).

X. System Notes

Every player is given the right to check his/her own bidding system during play.

XI. Tournament Director and rulings.

The Tournament Director can be summoned to a table as soon as attention is drawn to an irregularity. After the Director has given the ruling, the only appeal against such ruling can be addressed to the Chief Tournament Director. The decision of the Chief Tournament Director is the final one.

XII. Tie-breaking procedures

According to the WBF Tie-breaking procedures:

Two Teams

If two teams are tied with the same number of Victory Points at the end of the round-robin, the tie shall be broken as follows (in the sequence shown):

a) IMP quotient (total IMPs won divided by total IMPs lost) in all matches played by the tied teams in that particular event. If the tie remains, then:

b) IMPs earned by the tied teams in the match they played against each other. If the tie remains, then:

c) Total points earned by the tied teams in the match they played against each other. If the tie remains then:

d) Total point quotient in all matches played by the tied team in that particular event. If the tie remains then:

e) One board (“sudden death”) matches will determine the winner.

Three Teams

If three teams are tied with the same number of Victory Points at the end of the round-robin, the tie shall be broken according to the following:

f) IMP quotient in all matches played by the tied teams in that particular event. If one tie still remains it shall be broken in accordance with the previous section. If the three teams remain tied, then:

g) If one of the teams earned more VPs against each of the other two in the matches it played against them in that particular event, it shall be declared winner and, if necessary, the tie between the remaining two teams shall be broken in accordance with sub-section 19.1. If the three teams remain tied, then:

h) If one of the teams earned more VPs against one of the remaining teams and tied with the other in the matches it played between them in that particular event, it shall be declared winner and the tie between the remaining teams shall be broken, if necessary, in accordance with the previous section. If the three teams remain tied, then:

i) If one team has been beaten by the other two teams in matches it played against them in that particu-

lar event, it shall be ranked third in the tied positions and the tie between the remaining teams shall be broken in accordance with the previous section.

In all other cases, ties shall be broken in accordance with the following:

j) Highest net total IMPs earned by the tied teams in the matches they played against each other. If one tie still remains it may be broken in accordance with the previous section. If the three teams remain tied, then:

k) Highest net total points earned by the tied teams in matches they played against each other. If one tie still remains it may be broken in accordance with the previous section. If the three team remain tied, then:

l) Total points quotient earned in all matches played by the tied teams. If one tie still remains it may be broken in accordance with the previous section. If the three teams remain tied, then:

m) One-board (“sudden death”) matches will determine the winner. Four Teams or more If four or more teams are tied with the same number of Victory Points at the end of the round-robin, the tie shall be broken according to the following:

n) IMP quotient in all matches played by the tied teams in that particular event, shall govern. Any ties remaining will be broken in accordance with the previous sections if appropriate. If there are more than three teams that remain tied after use of IMP quotients, then:

o) If one of the teams earned more VPs against each of the remaining tied teams in that particular event or if it has, uniquely, tied one and defeated the other tied teams, it shall be declared winner and the ties for the remaining teams will be broken in accordance with the previous section, if appropriate. If there are more than three teams that remain tied, then:

p) Total points quotient in all matches played by the tied teams in that particular event, shall govern. Any ties remaining will be broken in accordance with the previous sections if appropriate. If there are more than three teams that remain tied after the application of total points quotient, then:

q) One-board (“sudden death”) matches will determine the winner.

r) In case of “sudden death” match, the appeal (protest period) is over when the “sudden death” match begins.

XIII. In all cases, not specified in this CoC, appropriate rules of 2019 World Senior Teams Championships will be applied.
