The Over the Hill Mob

Mark Horton

A recent copy of *The Times* featured a short résumé of the film *King of Thieves*, a recreation of the famous Hatton Gardens burglary in which an ageing group of criminals escaped with around £200 million. The screenplay was adapted from an article in *Vanity Fair* entitled *The Over the Hill Mob*, an obvious allusion to the classic Ealing Studios film, *The Lavender Hill Mob*. I decided to use it to introduce this series of reports as it would perhaps make an amusing title for a team playing in a Senior event. It is not an epithet that can be applied to any of our stars, who continue to astound us with their enduring skills.

In this year's opening round my main focus is on Canada Murray v USA Lusky.

On the opening deal South held

♠AQ2 ♥Q96 ♦K9 ♣KJ1093

and opened INT. North, looking at

♠965 ♥J74 ♦Q76 ♣AQ75

sometimes made an invitational raise and that usually cost some IMPs as the contract had no chance whatsoever.

North led the ♠A and when South followed with the two, he switched to the ♦J, declarer taking the queen and cashing the ace. When North pitched a heart he tried a heart, covering North's jack with dummy's queen, but South won and surprisingly played back the ♥4 rather than the ♠10. Declarer won and ran the ♣J. When that lost South returned the ♠10 and that meant three down, -300.

2♣ Majors

I wondered if East would consider doubling for a second time, but would it be clear that was takeout orientated?

West led the ♦K and switched to the ♣5, the defenders cashing three tricks in the suit after which West forced dummy with the ♦Q. Declarer played two rounds of hearts and East won and played another diamond. Declarer ruffed in dummy, ruffed a heart and naturally played a spade, but that meant he was three down, -150, and 10 IMPs went to the Canadians.

No less than 18 pairs attempted 3NT – only one of them took nine tricks.

West led the ♣J and declarer took the ace and ran the ♠J, East winning and switching to the ♦J. Declarer won with dummy's ace and played a heart, East winning as West pitched the ♣4. Declarer took the diamond return with the king and played the ♥Q, East winning and playing back a club. Declarer ruffed, cashed the ♥10 and then played a spade to the ace, claiming the rest when the king did not appear, one down and -200.

If declarer had played out all his trumps West would have been in trouble. Forced to keep three spades he would have to pitch a diamond and then declarer could take a spade finesse and throw West in with a diamond to bring dummy back to life.

To avoid this possible outcome, East must exit with a spade rather than a club.

Declarer won the club lead and played the ♥J, East winning and switching to the ♦J. Declarer took the king and played a spade to the eight, East winning and switching to the ♣9. Declarer ruffed and played the ♥10 and East won and now needed to play a second diamond. When he played a spade, declarer won with the jack and played his remaining trumps, squeezing West. That meant +620 and 13 IMPs.

1NT Semi-forcing

West led the ♦Q and continued the suit, declarer ruffing, playing a club to the ace, overtaking the ♠K, cashing the ♣K, the ♠Q, the ♣Q and the ♠J. Now the winning line is to play a black card. West can ruff with the ♥8 but declarer overruffs in dummy and plays a heart for the ten, king and ace. When West exits with the ♥3 playing the ♥4 results in 10 tricks.

Not easy to see, but if West cashes the ♥A at trick two and only then plays a second diamond (or a low heart) declarer can only score nine tricks. It meant a swing of 10 IMPs

Canada Murray had edged it 26-24 to start with a win, 10.77-9.23.

Play or Defend?

Artur Wasiak

In the middle of the first round, we could see a board with an interesting play:

Board 5/I North/NS	♠ A1098 ♥ 8543 ♦ A73 ♣ 62										
♠ K653 ♥ — ♦ Q954 ♣ KJ104	<table border="1"> <tr><td></td><td>N</td><td></td></tr> <tr><td>W</td><td></td><td>E</td></tr> <tr><td></td><td>S</td><td></td></tr> </table>		N		W		E		S		♠ Q42 ♥ AK6 ♦ J10 ♣ Q9873

The most popular contracts were 4♥ (sometimes doubled) and 5♣ (usually doubled). Let's focus on the former one. The heart game was played 8 times and exactly half of the declarers succeeded. In one case, East played a spade early solving declarer's problems. In the second, West discarded a spade prematurely, not giving his partner the possibility of finding an appropriate defence. The other two declarers, Ron Gerard for USA Lusky and Eduard Velecky for Slovakia, made a heart game with spade-diamond squeeze.

West started with ♣J. Declarer won and played ♥J to the ♥K at trick 2. East switched to ♦J to Gerard's ♦K, then South finessed the spades, playing low from his hand to dummy's ♠8 and East's queen. In the next trick Chambers played a club, ruffed by South. The ♥Q followed to East's ace and now the defender needed to play a diamond

to cut communications. When he returned a spade instead, Gerard continued with the rest of his hearts to squeeze West.

The start of the play was nearly the same: ♣10 to the ace, ♥Q to the king, ♦J to the king and spade finesse, playing the ♠J from declarer's hand instead of the ♠7 this time. After the ♠Q was played, East played a club, letting the contract to be made.

Velecky ruffed the club, played a trump to East's ace, took diamond continuation with dummy's ace and executed the squeeze, cashing the rest of the trumps. When West discarded a spade in the 11th trick, Velecky proceeded with the spade finesse to take all the last 3 tricks of the suit.

To set the contract, East had to refrain from continuing clubs. Instead, when in hand twice with ♥AK and once with ♠Q, he should have played two times diamonds and one spade to destroy declarer's communications.
